Hammond, Louisiana 70401  
Phone: 985.345.4511

**REGISTRATION INFORMATION**

- Planet Dragos offers the following courses of instruction:
  - 1) Licensed Electrologist - 600 hour course of instruction in not less than six (6) months
  - 2) Electrologist Technician - 200 hour course of instruction in not less than two (2) months; must work under the direct supervision of a licensed electrologist or a licensed Electrology instructor
  - 3) Licensed Electrology Instructor - 350 hour course of instruction in not less than four (4) months; must hold a valid license issued by the Louisiana State Board of Electrolysis Examiners to practice Electrology; must have practiced as a licensed electrologist for at least five (5) years
- Planet Dragos offers open entry enrollment based on available space. Students may apply for full-time enrollment at any time of the year.
- Students may devote no more than six (6) hours a day to formal training in electrolysis including clinical experience. Days of attendance must be approved by the School Director.
- Louisiana State Board Examinations are given four times per year, usually in the following months: January, April, July, and October. Students must complete the course of instruction in not less than thirty (30) days prior to taking the State Board Examination.
- For further information, please contact Planet Dragos Electrolysis School. A personal interview is required of all new applicants.
